

Meet Our Team!

Chuck Hawes
Senior Chemist

Mid South Laboratories LLC is a small, personal team of chemists that are working hard for you! Read a little bit about our team members below:

With 50 years of chemical industry experience, Chuck is the founding member of MSL LLC. Attending the University of Texas for both his bachelor's and PhD, he is a certified ACS professional chemist. He is a proud father of five girls and grandfather of too many grandchildren to keep count!

Taylor Fletcher
Chemist and Administrative Manager

Graduating with a BS in Chemistry in 2023 from Tennessee Tech University, Taylor is the newest member of MSL LLC. She has quickly established herself as essential in the very heart of our laboratory operations. She is well versed in DOT and GHS regulations and holds DOT 49-CFR and IATA hazmat transportation certifications.

Kami Dunn
Chemist and Laboratory Manager

Graduating with a BS in Chemistry in 2022 from Tennessee Tech University, Kami is MSL LLC'S project and operations manager. Kami is extensively experienced in formulation and reverse engineering services as well as SDS and label creation and review. She holds DOT 49-CFR and IATA hazmat transportation certifications as well.
